Should it become necessary to disconnect your tenant (s) for non-payment and we are unable to reach you by phone, the account will be put in your name (without disruption of service) and you will be notified in writing.

A security deposit may be waived if you have established service with IPEC during the past two years and have not been delinquent in payment during the last 12 months, or can provide a letter of credit from the electric utility which last provided comparable service, stating that you were not delinquent in payment during the last 12 months. If the letter of credit can't be provided at the time of application for service, a deposit will be required until a favorable letter is received. The deposit will then be applied to your account.

I certify that the applicant is the responsible party of the premises for which this application is made. I have lawful authority to sign this application. My signature on this form authorizes IPEC to conduct a credit check. I declare that the information provided is true, accurate, and complete to the best of my knowledge. The applicant agrees to pay the applicable rates, and abide by the terms and conditions as prescribed by the IPEC utility tariff. The applicant is responsible for the cost of all services rendered until IPEC receives notification either in person or in writing for the closing of this account. The applicant shall pay any costs associated with the collection of any unpaid balance for this and future utility service for this service location while service is in the landlord's name. IPEC has the right to collect the full amount owed from any one of the applicants, where application for service is made by two or more individuals.
